COUNTRY AND TOWN.

The machinery has been set to  
work in a sensible systematic way  
to start in motion the Great South-  
ern Oklahoma Fair. It will be in-  
corporated and the people of this  
county and adjoining counties will  
be given a privilege of subscribing  
to the capital stock. One thing has  
been decided upon and that is the  
stock will never pay a dividend.  
Whatever money is received will be  
spent in making the fair enter-  
taining and instructive to the peo-  
ple who attend it.

One of the greatest things to be  
accomplished by the fair is the  
bringing together closer the people  
who live in the country with those  
who live in the town. That old  
prejudice that once existed between  
people has faded before intelligence  
and the fellow from the country  
who is prejudiced against the man  
who lives in town has too much prej-  
udice to be trusted by his neigh-  
bors and the fellow in town who  
holds prejudice against the man in  
the country is the cigarette smoking  
dude who cannot get a penny of  
credit at any store in town. The  
energy that Ardmore people will  
put into the fair is for the purpose  
of building their own town and the  
country surrounding it. Ardmore  
would like to see every last acre  
of land in this county owned by a  
good farmer. Every encouragement  
will be given none owners. Every  
encouragement will be given to  
people to improve their methods of  
farming. The mission of the fair  
association is not to teach farmers  
how to farm, but to offer prizes  
for the best products and best  
methods. The fair association will  
provide an occasion for the  
farmers and stock raisers to come  
together and through their own  
eyes see how they will either the  
of each other and in this way become  
better acquainted with their own  
work. The measure advanced every  
year, the newspaper man al-  
ways has new problems to solve  
and the farmer has more than all  
others.

To the extent that the fair helps  
the farmer to that extent it is a  
success, no more and no less. Every  
farmer who can afford to own a  
small amount of the capital stock  
of the fair in every year he will  
feel the fair is as much his as it  
is the property of any one else  
and he will have as much to say  
about the manner in which it is con-  
ducted as any other man.

PREACHER'S ADVERTISEMENT.  
Will Marry You? That's the head-  
line of an advertisement the Mar-  
shall County News is carrying for  
Rev. Harry Barrow of Cumberland.  
Rev. Mr. Barrow tells he would  
be married if that he has his  
own wife, that they have been  
properly reconciled, that he was legal-  
ly the kind that no man should  
put asunder. Quite an enterprising  
person, don't you think? It is a  
part of his legitimate income and  
why not he advertise his business  
as well as the grocer sells cottonseed  
oil or the merchant who sells lace.  
What is more as observed from the  
advertisement he paid for it. The  
preacher who gets paid for his work  
is always able to pay for what he  
buys. Shame on any people who  
so poorly pays its minister that he  
must ask the newspaper for every-  
thing free, he must ask the dry  
goods dealer and the grocery man  
for the discount he allows the min-  
istry. When the minister buys the

clerk should know of his profes-  
sion only by the gentleness of his  
manner and not by the way he  
asks for the discount. Pay the  
preacher what he earns and he can  
be a man like other men and the  
preacher should charge a price for  
what he does. He is supposed to  
cheer the sick, bury the dead, marry  
the living, help settle family trou-  
bles, visit the newcomer, deal out  
spiritual edification from the pulpit,  
be a pusher in every legitimate  
walk of life and live off of just  
what others can well do without. If  
the people don't do it, the ministry  
should put itself on a paying basis.

The Viola Chaffin opines that  
Hon. William H. Murray will be  
much surprised that Judge Robert  
son did not respect to "Villification  
and slander," in opening his cam-  
paign for the governorship at Tulsa.  
The Democrat will hazard the op-  
inion that no candidate for that high  
office will indulge in such methods  
to obtain the nomination. And it  
does hope that Mr. Murray will  
be disappointed in being opposed  
in any such manner. Tulsa Demo-

THE FLOWER OF THE RANCH.

One of Best Musical Shows Here  
This Season.

"The Flower of the Ranch," one of  
the best musical shows appeared at  
the Robinson this season, was pre-  
sented last night before a large and  
appreciative audience.

The musical numbers were excel-  
lent, the stage settings typical of the  
California gold fields back in '49; a  
variety of wholesome comedy flowed  
through the entire performance which  
kept the audience in a roar of laugh-  
ter during the entire evening. Man-  
ager Robinson has brought some fine  
plays here this season but in the line  
of musical comedies, "The Flower of  
the Ranch" is probably his best offer-  
ing.

Mr. Jesse Harris, the comedian  
with the company, was a very funny  
fellow and could make the audience  
laugh without saying a word—his  
very countenance beamed with com-  
edy and he was compelled to answer  
many queries. Miss Nellie Waters  
as the "Flower" is a real artist and  
deserves special mention for her very  
clever work, her acting last night be-  
ing of the highest class. The entire  
cast was made up of artists.

The theater will be dark to-  
night, but tomorrow night Primrose's Min-  
strels hold the boards. Friday night  
William Winterhoff will appear in  
"The Fighting Parson" and on Sat-  
urday matinee and night the Swedish  
Hilbert comedy "Ole Olson" will be  
the bill.

Foreign Hair Critics.

Shrewd foreign observers have re-  
marked that if the American woman  
of middle age would spend a frac-  
tion as much money on her hair as  
she does on her boots and hosiery,  
she would be the most ravishing  
creature in the world. In France  
and England the first gray hair is  
a tragedy, and to avert this tragedy  
as far as possible is a matter of  
vital and absorbing moment.  
When attacked with prompt action,  
however, this tragic army may be  
easily routed by its onslaught at  
least postponed. Nearly all drug-  
gists nowadays carry in stock or  
can promptly get HAY'S HAIR  
HEALTH, which is the recognized  
remedy for prematurely gray hair.  
It is well to avoid making and  
unpleasant remedies claiming to be  
just as good as HAY'S HAIR  
HEALTH. Many of these prepara-  
tions are distinctly harmful, and their  
only excuse for being in to trade  
in the "twenty years' reputation" and  
good-will that HAY'S HAIR HEALTH  
has earned by reason of its remark-  
able efficacy when applied in time.  
It costs only 50c, or a dollar a bot-  
tle. At druggists or from the manu-  
facturer, Price: Hay Specialties Co.,  
Newark, N. J., U. S. A.

Primrose Big Minstrels.  
Minstrel organizations from away  
back to the original Christy's Seven-  
adlers have come and gone, some have  
left an impress of kindly apprecia-  
tion, while others have scarcely been  
thought about.

Among the few known that came  
and are a fixture, as it were, none  
seem to have fastened themselves  
upon the affections of hard core ad-  
mirers with such tenacity as the  
Primrose Minstrels, who will present  
another one of their wholly pleasing  
programs at the Robinson opera house  
tomorrow night. In accordance with  
a firmly fixed principle, Mr. Primrose  
has this season scanned the earth in  
search of novel features to divide in-  
terest with a band of singers and  
small army of comedians that have for  
many years past held together the en-  
durable reputation enjoyed by this ad-  
mirable troupe. Several startling in-  
novations are likewise announced, as  
is a scenic "First Part" investive of  
real magnificence.

## WANTS PICTURES OF THE BOOSTER GIRLS

THE KANSAS CITY STAR WOULD  
MAKE FEATURE STORY ABOUT  
ARDMORE'S FAIR BOOSTERS.

The Ardmore Girls' Booster club  
is gaining prominence over the coun-  
try as is evidenced by a letter re-  
ceived by Mrs. Ida Alexander, pre-  
sident of the organization, yesterday  
afternoon.

Mrs. Alexander received in her  
mail yesterday a letter from the  
Kansas City Star, requesting her  
to send the pictures of the officers  
and directors of the club for publi-  
cation in that paper.

Mrs. Alexander says the photo-  
graphs requested will be forwarded  
as soon as they can be gotten to-  
gether. And thus the girl boosters  
have already given the best town  
in Southern Oklahoma an unexpect-  
ed boost.

At the meeting scheduled for last  
night no work was taken up, as  
several of the members were un-  
avoidably kept from the meeting.  
A session of the club will be held  
at Mrs. Alexander's home on Sat-  
urday afternoon at 3 o'clock, when  
the boosting game will be inaugu-  
rated in a systematic way.

## PAVING CONTRACT WILL BE LET TODAY

PAVING AND SEWER CONTRACTS  
TO BE GIVEN OUT THIS AFTER-  
NOON.

At a meeting of the city commis-  
sioners this afternoon bids will be  
opened and contracts awarded for ad-  
ditional street paving and sewer ex-  
tensions. Representatives from a  
number of concerns throughout the  
country are on hand to try and land  
the work and it is thought by the city  
officials that contracts can be made  
at considerably less than the work  
done heretofore cost.

The contracts to be let this after-  
noon represent an outlay by the city  
of about \$45,000.

Bids will be considered for the con-  
struction of the septic tank at the city  
lake at a meeting of the commis-  
sioners on next Monday.

WOMAN SHOT FIVE TIMES.

Hired Man Held on Charge of At-  
tempt to Murder.

Atoka, Okla., Feb. 14.—Albert Jack-  
son is under arrest here, charged with  
attempting to murder Mrs. W. B.  
Rees, who lives two miles west of  
Parris, in Atoka county. Mrs. Rees'  
husband was away from home over  
night and Roberts, a hired man, was  
the only man left at the house. Dur-  
ing the night five shots were fired at  
Mrs. Rees as she lay in bed with her  
two small children. Each shot took  
effect in the woman's body, but none  
of them in a vital spot, and she may  
recover.

## GOVERNOR HASKELL SIGNS HOME BILL

BILL AUTHORIZING \$20,000 FOR  
HOME MAINTENANCE BECOMES  
A LAW.

Commander D. M. Ramph of the  
local camp of Confederate Veterans  
received a message from Guthrie yes-  
terday evening informing him that  
Governor Haskell has signed the Con-  
federate Home Maintenance bill, car-  
rying with it an appropriation of \$20,  
000, and that the bill thereby becomes  
a law.

This is good news to the members  
of John H. Morgan Camp and to the  
people of Ardmore, not that anyone  
anticipated the governor exercising his  
prerogative of veto, but because it is of  
much local interest.

The building committee will arrive  
in Ardmore some time this week to  
make final arrangements for the lo-  
cation of the home and to prepare  
for the letting of the contract for the  
construction of the buildings provided  
for.

Hear the singing at the Broadway  
Baptist church tonight.

## STREET RAILWAY SALE HELD UP

MATTERS PENDING IN COURTS  
TO BE DECIDED BEFORE SALE  
IS ORDERED.

The property of the Ardmore Traction  
company will not be sold just at  
present owing to some claims that  
must be decided in the courts.

C. L. Byrne, receiver for the com-  
pany, said this morning that the order  
of sale had been stopped awaiting the  
settlement of some liens held  
against the property. These cases will  
be determined before Judge Russell  
in the district court Thursday, after  
which all obstacles will probably be  
removed and the order of sale author-  
ized by the court. The sale will prob-  
ably occur in May of this year. The  
invoice value of the concern is placed  
at \$140,000.

## IS FRISCO WORKING ON WAURIKA LINE?

SURVEYORS BUSY NEAR HEALD-  
TON—LOOKS LIKE SOMETHING  
GOING.

Is the Frisco making preliminary  
arrangements to construct the much  
talked of Waurika line from Ardmore.  
This is the question that is agitating  
the minds of some Ardmore people  
today. And from indications it looks  
as though such is the case.

A party of surveyors are now busily  
at work along the proposed right of  
way at a point near Healdton, but no  
information can be had as to who is  
presenting the work nor for what  
purpose. Nevertheless the fact re-  
mains that the surveying party is on  
the ground and it is supposed that  
the Frisco is having the work done.  
The party is camped on the old Simp-  
son place northwest of Ardmore.

An Ardmore representative tried  
to ascertain something tangible in  
the premises, but no one—not even  
H. H. Gray agent for the Frisco—could  
enlighten us on the subject.

A Fair Enthusiast.

F. T. Rexroat of Keller is in the  
city today and in speaking about  
the fair association organized in  
Ardmore last night said that it was  
the best thing that ever happened  
in this section of the state. He is  
a fair enthusiast and says he is  
glad that it was made a stock com-  
pany, "Because," he said, "that gives  
the farmers an opportunity to be-  
come part owners in the venture  
and they will take a lively inter-  
est in it and make it a success. The  
farmer must be back of an affair  
of this kind to insure its growth  
and development." And Mr. Rex-  
roat is preeminently correct—the  
men at the organization meeting  
were of the same opinion and acted  
accordingly.

You'll be sorry if you forget the  
Round's, Monday, Feb. 21, one night  
only.

Next to forgiving people, the hard-  
est thing is to mean it.
